Only 340 meters from the Monegasque border, contemporary villa with the possibility of customization. Architectural villa with fine finishes under construction located in the municipality of Beausoleil. The structure is on three levels connected by internal elevator, full southern exposure, Monaco and sea view, built entirely of reinforced concrete. The total building is 607 sq m inserted in a property of more than 1,600 sq m of terraced land with large flat parts. The villa is under construction and just waiting for the new owners to choose how to customize it. There are three possibilities for ...
